I am giving you one more chance Mr. Wellborn to remove the smart meter off my dwelling by tomorrow at 12pm. If it is not taken off by noon tomorrow you agree to pay out 501 million dollars and \$0.91 (u.s. dollars). By accepting this contract you agree to the above terms and all parties of record are all witnesses. Have a great day Mr. Wellborn.

Kindly,

Good morning Mr. Butler thank you for all your patience. There are many things that I do not know, and you have been so professional.

I am not sure if everyone will be included in this email, as I had to type out each name. I am worried that my all my bullet points will not go through and so I had to send the email a different way via an attachment. Can you please make sure that all parties of record receive this email?

With deep respect for all that you personally do to make this country great Mr. Butler,

Alex
